Become a partner

Benefit from a mature concept

We invite you to join our partner network. As a partner, you benefit from a mature concept in the sector of project and leadership management.

No fewer than 16,000 users in more than 38 countries speak for themselves. Our products are internationally successful and stand for high quality – we have been working on them for over 18 years. Our distribution partners not only offer our customers products, but also create customised business solutions. Their product range responds to the business challenges of our customers. We aim to continuously optimise our solutions and adapt them to the market requirements together with our partners. To ensure that we offer the best solution at any time, a large part of our investments flow into the further development of our products.

As a partner of parm ltd., you benefit from following advantages:

- You acquire parm ltd. as a strong partner in the sector of operative and strategic project management and qualified leadership solutions
- Joint image development via comprehensive and joint marketing activities
- Material and support for your marketing and distribution activities (specific marketing support)
- Information exchange and joint networking events
- Specific technical and sales training
- Access to new markets
- Know-how development and extension
